The Founder Message

At Team Overc's, our journey began with a clear vision to redefine construction excellence in Pakistan by combining quality, transparency, and commitment. From humble beginnings, we've grown into a name trusted for turning architectural dreams into enduring realities.

Our core belief is that every client deserves not just a structure, but a foundation for a better life built with integrity, expertise, and attention to detail. We have always prioritized customer satisfaction, timely delivery, and innovative construction solutions tailored to modern needs.

As the founder, I take immense pride in the dedication and professionalism of our team. Their passion drives our progress. Together, we are not just constructing buildings; we are building trust, value, and futures.

Let's continue to raise the bar for quality and reliability brick by brick.

Engr. Muhammad Mohsin

Founder

Team Overc's

The Co-Founder Message

At Team overc's, we believe that true success lies in delivering value not just in square footage, but in the relationships we build and the trust we earn.

As Managing Partner, my role is to ensure that our company stays aligned with its founding principles: integrity, innovation, and client-focused execution. We understand the challenges clients face when investing in construction, and we're here to simplify that journey through transparency, expertise, and consistent delivery.

Our team is our strength. From site engineers to architects, planners to supervisors — every member of Team overc's is committed to maintaining the highest standards of professionalism and accountability. Together, we bring each vision to life with precision and care.

I thank all our clients and partners who have placed their confidence in us. With your continued support, we aim to expand our horizons while staying rooted in the values that define us.

Let's keep building stronger structures and stronger bonds.

Haroon Hanif

Co- Founder
Team Overc's

The C.E.O Message

At Team overc's, we don't just build structures we build trust, lasting value, and a better tomorrow.

As CEO, I am proud to lead a company that stands at the forefront of Pakistan's evolving construction landscape. Our work is rooted in a passion for excellence, a commitment to quality, and a responsibility to deliver beyond expectations. We understand that every project is more than concrete and steel it's a dream, an investment, and a legacy.

With a client-first approach, innovative engineering, and a skilled team that shares a unified vision, we ensure that every step from design to delivery reflects our promise of reliability, transparency, and unmatched craftsmanship.

In today's fast-changing world, we aim not just to keep pace, but to lead by embracing new technologies, sustainable practices, and smarter construction methodologies that future-proof our projects and benefit generations to come.

Thank you for trusting Team overc's. Together, let's build not just buildings, but a better future.

Zeeshan Ahmad

Chief Executive Officer
Team Overc's

The background image shows two construction workers in the foreground, wearing hard hats and safety vests, looking at a set of blueprints. They are standing on a construction site with a large building under construction in the background, featuring a crane and various structural elements.

Introduction

Welcome to Team Overc's – Where Vision Becomes Reality

For nearly two decades, Team Overc's has been redefining the construction landscape in Pakistan, helping clients bring their dream projects to life. From state-of-the-art residential spaces to high-end commercial developments, we provide innovative, reliable, and cost-effective construction solutions.

At Team Overc's, we don't just build structures we create legacies that stand the test of time.

Team overc's is a leading construction company offering complete solutions from plot purchase, architectural design, and structural construction to high-end finishing and furnishing. We specialize in residential homes, high-rise buildings, and premium brand interiors, delivering quality and excellence at every stage.

A man with a beard and glasses, wearing a white hard hat, is looking towards a construction site. In the background, there are cranes and building structures under construction. An orange rectangular frame is overlaid on the image, containing the text 'Company Overview'.

Company Overview

Who We Are

Established in 2006, Team Overc's has grown into one of Pakistan's leading construction and consultancy firms, offering expert solutions for residential, commercial, and corporate projects.

We take pride in our ability to blend modern construction techniques with quality craftsmanship, ensuring each project is completed to perfection. Over the years, we have earned a reputation for integrity, excellence, and client satisfaction, making us the trusted choice for expatriates and overseas Pakistanis looking to invest in premium construction services.

Our Expertise:

Services for Overseas Pakistanis

Construction You Can Trust – Even From Miles Away

We understand the challenges of managing projects while living abroad. That's why Team Overc's specializes in serving Overseas Pakistanis with:

Wherever you live, your project is in expert hands.

Our Process

How We Work:

At Team Overc's, we follow a systematic and transparent process to deliver top-quality projects.

01

Real Estate:

We assist you in identifying and acquiring the ideal property aligned with your project goals whether residential, commercial, or mixed-use.

02

Consultation & Planning:

We start with detailed discussions to understand your vision, budget, and timeline.

03

Design & Approval:

Our architects create customized designs, followed by 3D visualizations or a better understanding.

04

Construction & Execution:

We ensure high-quality construction using top-grade materials, skilled labor, and advanced techniques.

05

Quality Assurance & Handover:

Before completion, we conduct detailed inspections to ensure everything meets our strict quality standards.

06

Furnishing:

We add the finishing touches to your space with carefully selected furniture, fixtures, and décor transforming your property into a fully functional, aesthetic environment.

Our streamlined approach ensures efficiency, cost-effectiveness, and flawless execution.

Residential:

A stunning 5-bedroom home with modern architecture and smart features.

Commercial:

A fully customized commercial space designed for productivity.

Brands:

A multi-unit project with elegant finishes and state-of-the-art amenities.

We take pride in our commitment to excellence, timely execution, and customer satisfaction.

High-Rise Project Management:

Your Vision, Executed with Excellence

At TEAM OVERC'S, we provide a comprehensive, end-to-end project management and consultancy service for high-rise developments. Acting as your trusted partner, we manage every facet of the project lifecycle, ensuring transparency, quality, and adherence to your financial goals. Our mission is to transform your architectural vision into a landmark reality, flawlessly and efficiently.

Our services include:

Phase 1: Strategic Planning & Feasibility

In-Depth Feasibility Studies: We conduct exhaustive pre-feasibility and feasibility analyses, evaluating project viability, potential ROI, and optimal development scenarios to ensure your investment is built on a solid foundation.

Site & Land Advisory: Assisting in the crucial early stages of site analysis, land procurement, and ground investigations, including soil bearing capacity tests, to mitigate risk from day one.

Comprehensive Cost & Financial Modeling: Developing detailed cost estimates covering everything from land and regulatory fees to construction, marketing, and profit margins, providing you with a clear financial roadmap.

Phase 2: Integrated Design & Tendering

Full-Spectrum Design Management: We expertly coordinate and liaise between all design teams—including architectural, structural, and MEP (HVAC, Electrical, Plumbing, Firefighting) to ensure a cohesive, efficient, and innovative design.

Regulatory Compliance & Approvals: Ensuring all designs adhere strictly to local and international codes and standards (e.g., ASTM, ASHRAE, NFPA, LDA, Bahria Town) and managing the approval process with relevant authorities.

Transparent Procurement & Tender Management: Preparing detailed Bill of Materials (BOMs) and managing a competitive tendering process. We meticulously vet and shortlist contractors and suppliers to secure the best in quality, reliability, and market value.

Phase 3: On-Site Execution & Supervision

Vigilant Construction Supervision: Our core strength lies in daily, hands-on project supervision. We ensure all work on-site aligns perfectly with the approved plans, specifications, and quality benchmarks.

Robust Project Scheduling & Progress Tracking: Developing and managing detailed work schedules and intermediate milestones to ensure timely project delivery, complemented by regular, detailed progress reports.

Unyielding Quality Assurance & Control: We enforce the highest standards of workmanship and material quality. We have the authority to intervene and recommend changes if any aspect of the work does not meet our stringent criteria.

Comprehensive Health & Safety Management: Implementing and monitoring strict health and safety protocols on-site to ensure a secure working environment for all personnel and full compliance with safety regulations.

Phase 4: Financial & Contractual Oversight

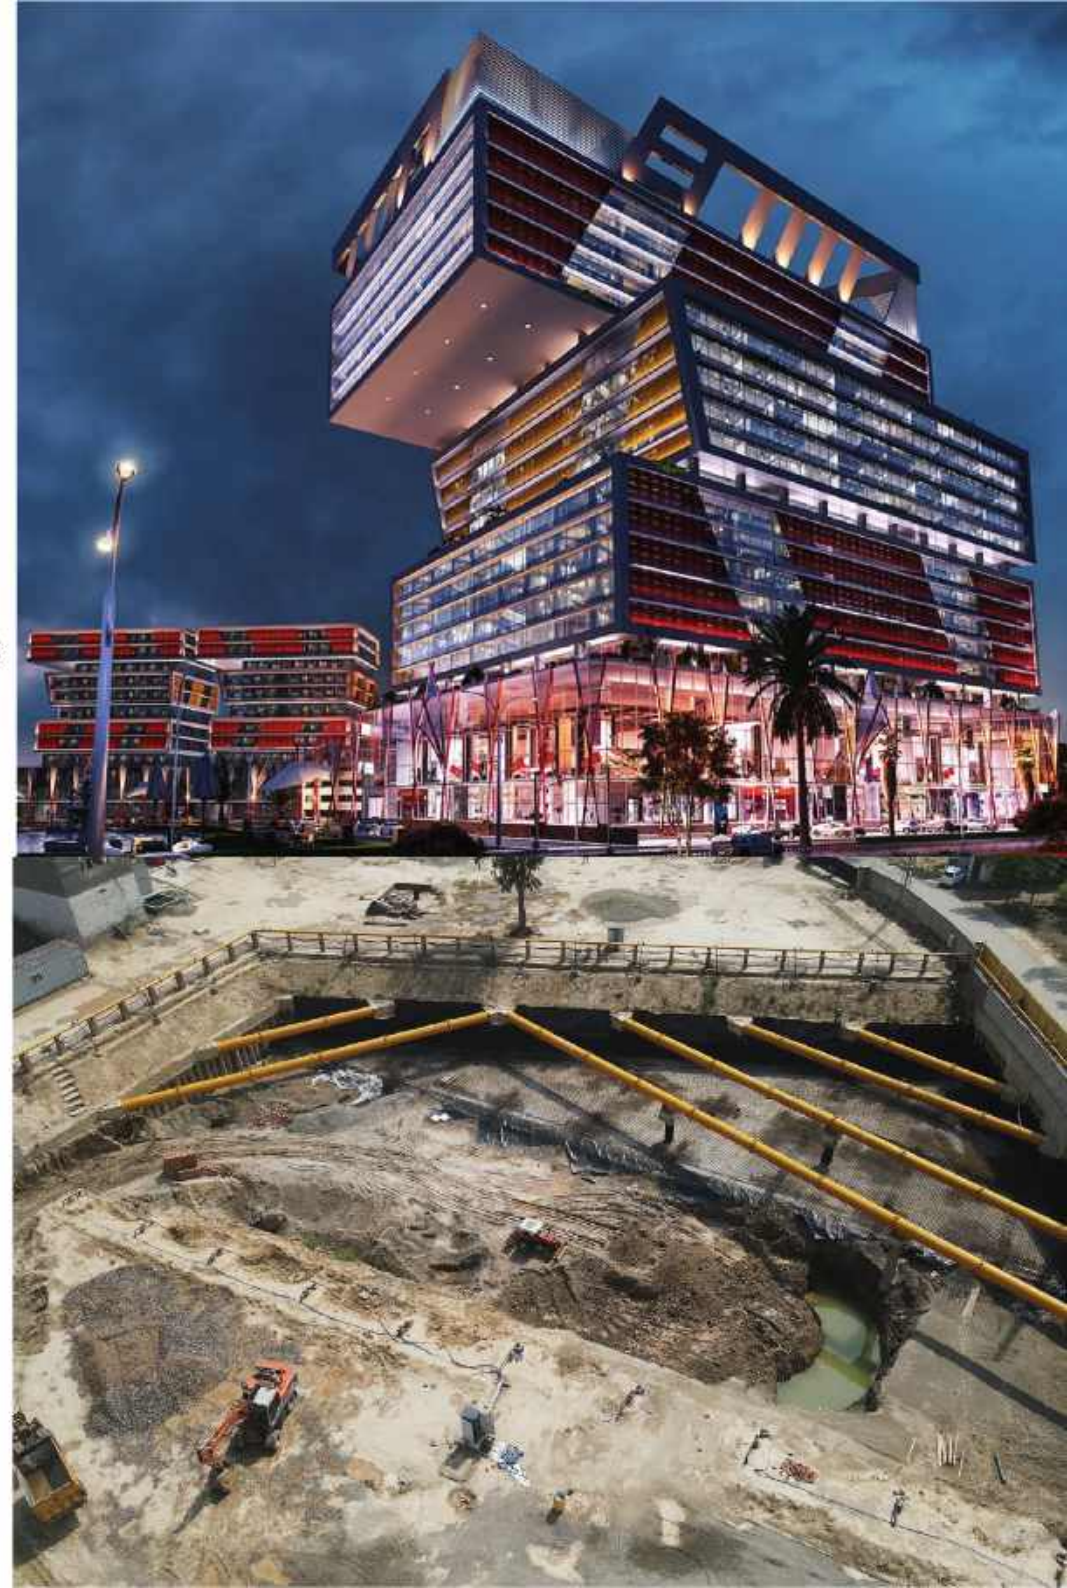

Transparent Financial Management: We operate on a completely transparent financial basis, providing you with all invoices, quotations, and data. We advise on payment schedules and ensure every cost is justified and accounted for.

Proactive Risk Management: Identifying and mitigating potential risks from design flaws and planning issues to supply chain disruptions throughout the project's lifetime to protect your interests.

Complete Contract Administration: Drafting and managing all contracts with subcontractors and vendors, ensuring clear terms and protecting you from liability while fostering a collaborative project environment.

Why Choose Team Overc's for Your High-Rise Project?

By integrating us as your project management partner, you gain a single, accountable point of contact dedicated to building your trust and delivering your project on time, within budget, and to the highest standard of quality. We handle the complexity so you can focus on the vision.

Bahria Sky

A Team Overc's Signature Project

Bahria Sky isn't just a development — it's a statement. As the tallest mall and apartment complex in Bahria Town Lahore, it reflects the next generation of luxury, lifestyle, and commercial innovation.
